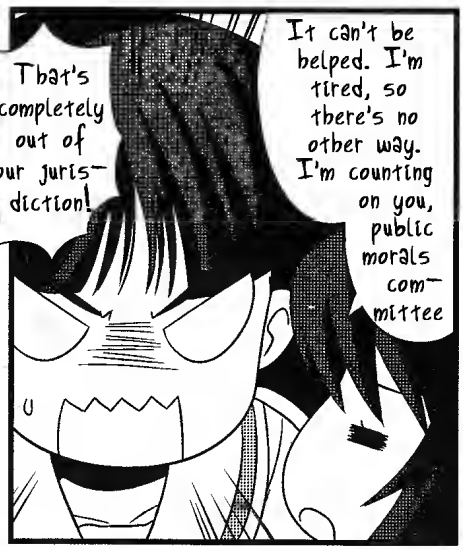
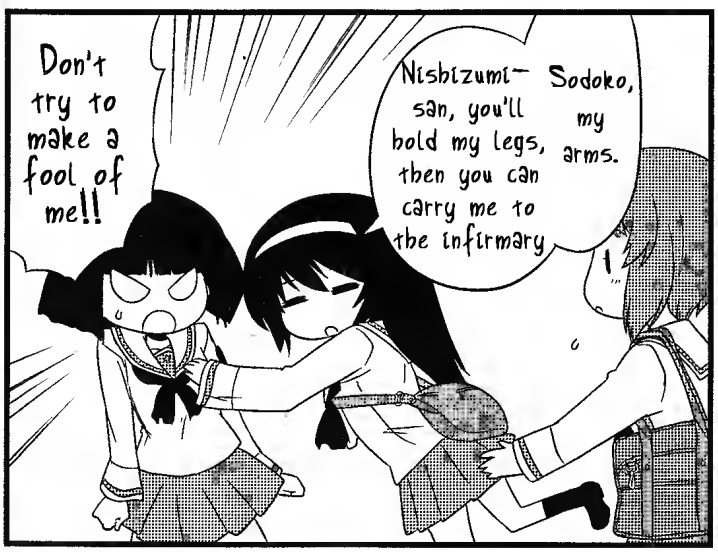
I'm tired, Sodoko~
Wait, I already told you not to call me Sodoko!

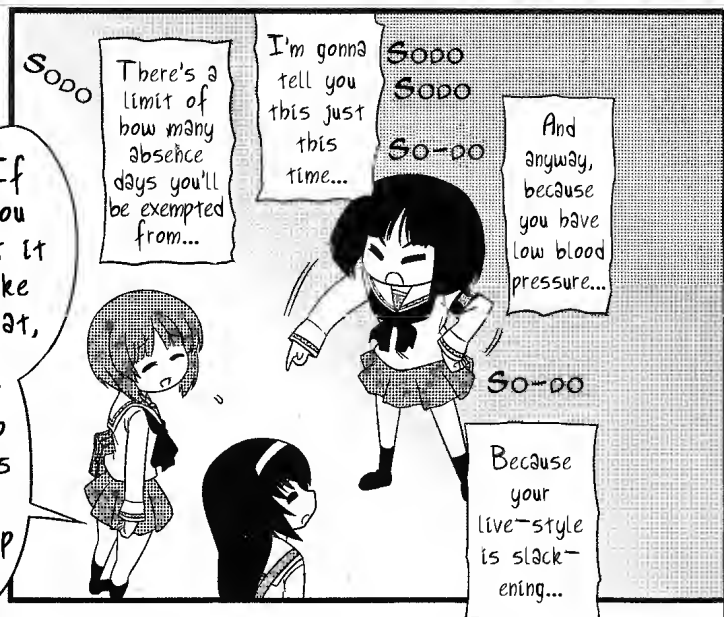


It can't be helped. I'm tired, so there's no other way. I'm counting on you, public morals committee
That's completely out of our jurisdiction!



Sodoko, my arms.
Nisbizumi-san, you'll hold my legs, then you can carry me to the infirmary
Don't try to make a fool of me!!

If you put it like that, it might be better if Sodoko just comes over to wake me up every day



Sodo
There's a limit of how many absence days you'll be exempted from...
I'm gonna tell you this just this time...

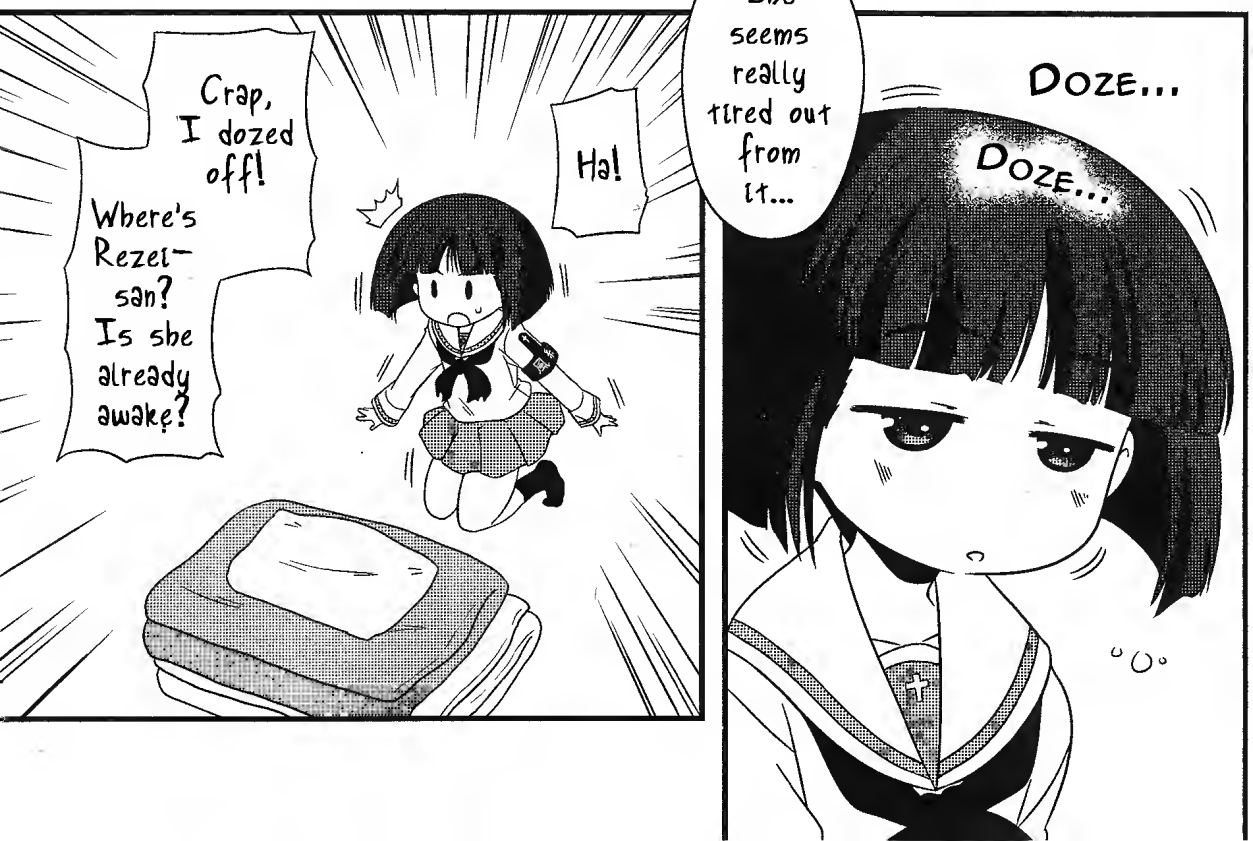
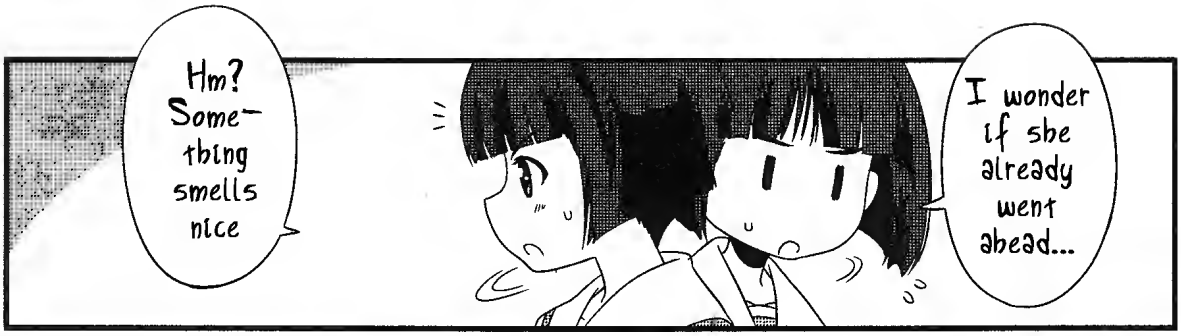
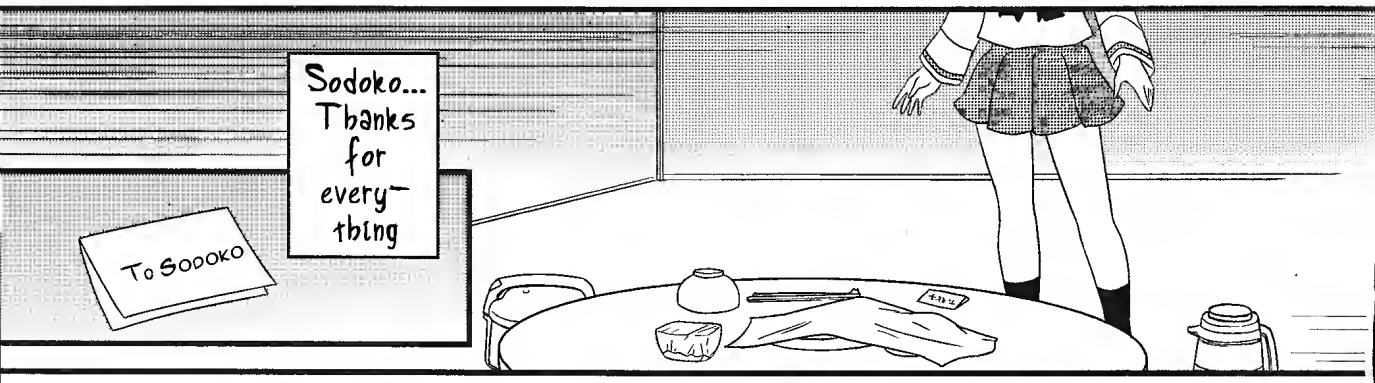
Lately, it seems like Sodoko-san is giving her hardest.
For how many days did she now take care of Mako-san in the morning...
True that, I'm really glad for that! She's the paragon of the public morals committee~
But...

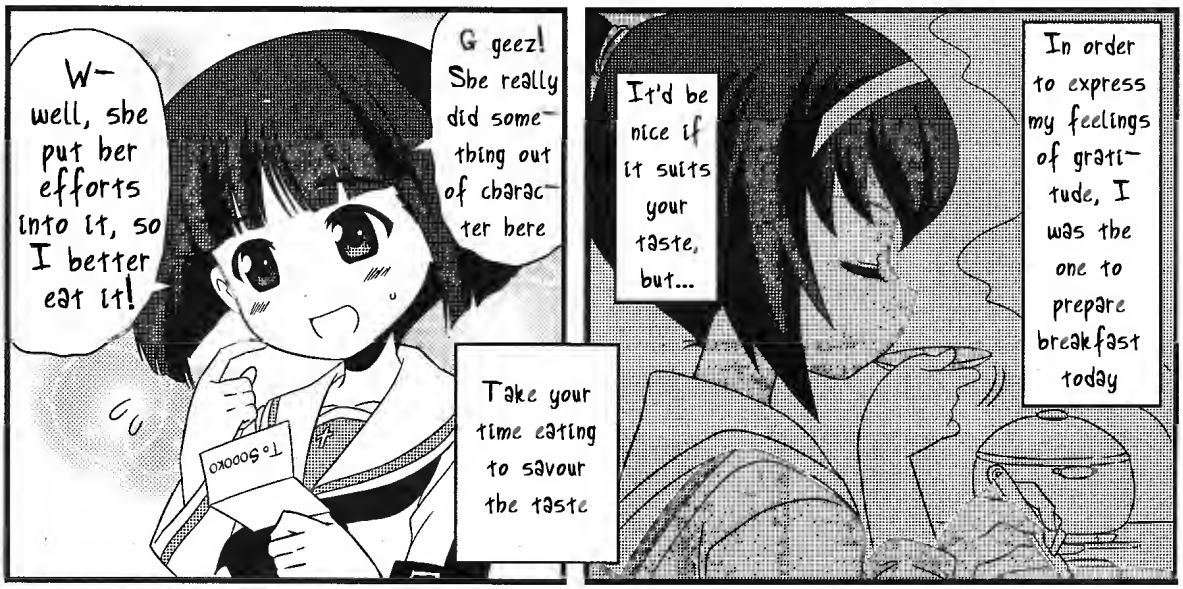




Hm? Some-thing smells nice
I wonder if she already went ahead...



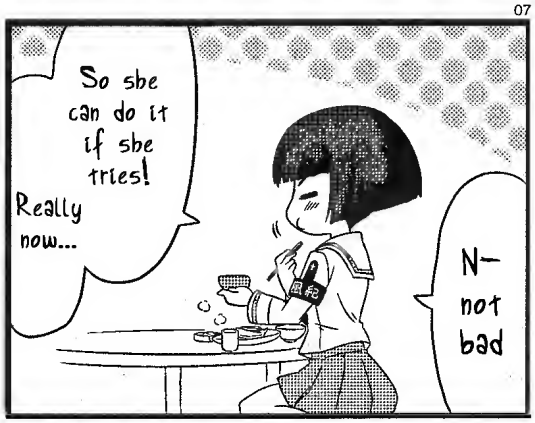
Sodoko... Thanks for every-thing
To Soooko



W-well, she put her efforts into it, so I better eat it!
G geez! She really did some-thing out of char-ac-ter here
To Sodoko
Take your time eating to savour the taste
It'd be nice if it suits your taste, but...
In order to express my feelings of grati-tude, I was the one to prepare breakfast today

Now then... ...Hub?
Aren't I for-getting some-thing...

Fuu~
Thanks for the meal



So she can do it if she tries!
Really now...
